### Newman Club Plays Host For Convention

Over A Dozen Colleges Expected To Send Delegates To Club's Annual Get-together

Delegates from two states, representing nearly a dozen universities and colleges, will begin arriving in San Francisco on Friday afternoon to attend the first annual convention of the recently organized Central Pacific Province of the National Newman Club Federation.

Co-hosts of the convention, which will be held on Friday and Saturday in San Francisco and Sunday in Berkeley, are the San Francisco State and University of California Newman clubs.

#### DELEGATES EXPECTED

Among the colleges definitely attending are the University of Nevada, California Aggies, College of Pacific, Fresno State, San Jose State and San Francisco Junior College.

Delegates are also expected from Stanford University, Chico State College, Humboldt State College and the University of Hawaii.

Each college will be represented by two official delegates and as many non-voting representatives as care to attend.

Wade Brummal, president of the San Francisco State College Newman club and vice-chairman of the province, will preside as convention chairman.

#### BUSINESS MEETING

The business sessions of the convention are scheduled to get under way at 10 o'clock on Saturday morning in the San Francisco State Newman club headquarters at 350 Buchanan street.

A pre-convention Hi-Jinks on Friday evening in the San Francisco State College gymnasium will feature a basketball game between the State and Cal Newman squads for the Province championship and will be followed by exhibition boxing bouts, intercollegiate ping pong matches, singing

## Convocation

### Kappa Delta Pi Hears Homan

Dr. Walter J. Hosman, sponsor of Gamma Sigma chapter of Kappa Delta Pi at State, spoke to the faculty on the proceedings and arrangements of the National Convocation of Kappa Delta Pi, last Monday night at an informal supper held in Frederic Burk.

The national convocation, the largest of its kind, was held in St. Louis on February 26, 27, and 28. Kappa Delta Pi is the honorary society in education and as such drew many prominent educators.

#### HAS ASSETS

Dr. Homan gave many interesting items on the convocation. Kappa Delta Pi, he stated, has assets of \$72,000, making it the only national society with complete financial solidarity.

A six-point program was laid down by Dr. Homan at the supper in hopes of making the local chapter of Kappa Delta Pi more well known on the campus and to promote growth and cooperation within the society.

#### FIRST POINT

First point on the program was to require all members to read the "History of Kappa Delta Pi" and to require all applicants to read and pass a test on the history.

A continuous emphasis on schol-

### Fraternity Makes Lecture Plans

In a treatise devoted essentially to college youth Brother Leo, noted bay area figure, will lecture to students of this college on "From the Eyebrows Up", April 17 in the Veterans Auditorium.

Quite some time since any prominent lecturer has spoken to the college student body as a whole, this is the first attempt to revive a Spring Lecture series. The Brother Leo lecture April 17 will bring the most prominent and interesting speaker in the Bay area, who has built up an amazing local following.

At present he is lecturing for St. Mary's College, at which institution he holds the position of chancellor of the college.

In a special effort to interest students of the college, the price has been set at only 15 cents. Usual rate to a Brother Leo lecture is from 75 cents up—and it was on this basis that Brother Leo consented to appear. The adult rate is 75 cents.

Ed Barry, chairman of arrangements and vice-president of Sigma Pi Sigma fraternity, sponsors of the lecture, declared yesterday that tickets would be on sale tomorrow, in the co-op or in the booth in College hall. There will also be posters about the campus and signs will be on all Municipal Railway street cars.

The lecture will commence promptly at 8:15. A program will complement the lecture.

### Spelman Prepares Sorority Dinner

Tonight the girls of the Delta Sigma Nu sorority will be treated to a dinner prepared by Miss Alice Spelman, home economics instructor and sponsor of the sorority.

Every semester Miss Spelman displays her ability as a culinary artist by presenting this dinner just to the members of the sorority. Pearl Dondero, president of the organization, announced that plans for a forthcoming Alumni affair will be discussed at the meeting this evening, following the dinner.

### Composers Club Meets At Four

To avail more students the opportunity of attending the meetings of the San Francisco State Composers and Writers club, the meetings of the group will henceforth be held in Annex B, the music department building, at 4 p.m. on Wednesday afternoons.

Students who compose music or arrange compositions are cordially invited to attend the meetings. Lyric writers or English department students who enjoy writing poetry or lyrics are urged to be present.

The club has been organized for the purpose of encouraging and promoting creative music and lyrics by students of S.F. State. The organization is fundamentally a student organization.

## Rebels

### Four Clubs Still On 'Black List'

Four campus organizations are still non-existent as far as the student body is concerned, Dena Witte, secretary, announced today.

These organizations which have not turned in either their constitutions or the grade averages of their officers include: Androsphinx, Block "S", Italian club and Open Road.

"All campus clubs have had plenty of time and notice. If they don't wish to cooperate with student body rules, they should not be recognized on the campus," the secretary declared.

Societies whose constitutions have been turned in without the grade points of their officers are: Advisory council, Christian Science club, Epsilon Mu, Kappa Delta Tau and Pi Epsilon Mu.

The Spanish club has submitted the grade average of its officers, but has failed to hand in its constitution to the student body office.

"All other clubs have fulfilled the student body requirements. I wish to thank those who attended to this matter promptly," Miss Witt concluded.

## Alma Martyr

### Date Set For Musical Comedy

"Alma Martyr", a play of college life including love interest will be staged May first and second at the Western Women's Club in the Community Playhouse on Sutter Street. "Deep Disillusion" is only one of the entrancing melodies composed by Donald Ingraham which was sung by Wanda Porter at the Frosh Hop.

In the play, disaster is eminent when it is found that the late wealthy benefactor and founder of the college has all his monetary interest concentrated in a television station. Students are forced to keep their alma mater out of the red by performing sundry acts of singing and dancing.

Characters disclose the names of many droll and perspicacious students, namely: Vivian Silva opposite Bud Chandler, the "singing halfback"; a quartet of consummate intellectuals includes: Harold Jacobs, Bill Stein, Ray Hutchison, and Bob Cummings. Ben Brooks is to be the character lacking in mental acuteness.

Lou Garcia, Harold Jacobs and Ronald Ingraham are the three students producing the play with Dick Lotter and his band transmitting sweet music to the audience. Dancing interest centers around the directions of Margaret Greer and Bette Pierce. Others in the incomplete cast of characters are Athene Abramopoulos taking the part of Dean Gray; Jean Van Arsdale is the "campus cutie"; Lil Kaplan the vampire Tania and "Slip" Jack Madigan.

### Borree To Speak On Public Health

Of vital interest to all pre-med and pre-nursing students will be a talk by Miss Ramona Borree, State Board of Public Health affiliate, on "Opportunities in Public Health Nursing," to be held Tuesday, April 2, in Room 207, Anderson hall, at noon.

Under the auspices of Alpha Phi Nu and Beta Pi Sigma, Miss Borree's talk should be of interest to all science students.

## Under Way

### Work Starts On New Campus

Far ahead of schedule, work started Monday on the Lake Merced campus with 25 W.P.A. men on the site with lumber, shovels and trucks, it was announced by Mr. Leo Nee.

Among the things started are office buildings, lumber sheds, garages and the clearing of the brush in the canyon prior to filling it in. Mr. Nee stated that by Friday the number of workers will be increased by 75, and that by the beginning of April there is to be 100 more men along with steam shovels and bulldozers.

## Posters

### Art Fed. Contest Closes Next Week

With the date of the Art Federation Poster contest drawing nearer, the judges have been decided and all entries will have to be submitted to the Student Body office before April 3.

The object of the contest is to design a cover for the San Francisco Boy's Club camp booklet, or a poster to advertise the camp, and any State student is eligible to enter.

The judges chosen to select the winners are Mr. W. Blair Foster, Manager of the S. F. branch of Foster and Kleiser; Mr. Ben D. Dipon, Director of Advertising Service—Schmidt Lithograph Company; and Mr. Samuel P. Johnston, owner of Johnston Advertising Agency.

A wrist watch, two zipper binders and a military vanity set are the prizes that will be awarded for the two best posters and the two best booklet designs submitted.

### Brush'n Palette Sponsor Noon Jig

The Brush'n Palette Club is sponsoring the noon dance today. The folk dances that are the tradition of the club will be given and taught to all those interested.

Also on Friday night, March 29, there will be a dance in Frederic Burk auditorium from 8:00 until 12:00. "A dollar's worth of fun for only a dime."

## Different Affair

### Bib 'n Tucker Promises Unusual Dance-Fashion Show Combination

"Who will be the lucky men?" is the question being asked around the campus these days. "Why will they be lucky?" is usually the next question.

Only the girls of the Bib'n Tucker club can answer these inquiries, but this is not saying that they will. The club is sponsoring a fashion show and dance to be held in the women's gym Friday evening, April 19. Just what the men will have to do with it is in doubt.

#### O'BRIEN CHAIRMAN

Rita O'Brien, chairman of the dance, said today, "We are working together to make this affair one of the biggest of the spring term. It is rather unusual to have a dance and a fashion show at the same time; in fact, I don't think that it has ever been done at State before. No, I can't tell you what the men have to do with it."

## Speaking

### State Debaters vs. Washington On Friday At Frederic Burk

Auerback, Fleming To Do Verbal Fighting Against Visiting Forensic Team

## Hayseed Hop

### Alpha Omega Gets Ready For Dance

State goes hay-seed April 5, with the Alpha Omega barn dance. The gym is going to be decked out in wagon wheels, picket fences and hay in the rafters.

This will be the first costume dance of the term. Lucille Murphy social chairman, is hoping that this will not keep staters from turning out and she says "Anything goes in the line of jeans and wash dresses". Jerry Polite is in charge of the publicity for the dance. Bobbie Maghetti will be tacking up decorations.

President Bette Pierce promises something new and different in the line of refreshments. The popular band featuring Saxophonist Benny Souza will be calling the reels.

This will be the first dance that Alpha Omega, service sorority, has sponsored on the campus. Not since the Alumni dance, year before last has State had the chance to get dolled up in loud shirts and bright dresses and it is expected to be a big success.

### Kiang Speaks On Youth Movement

Speaking on "the New Life Movement and the Chinese Youth", Madame L. Kiang, prominent Chinese traveler will address the International Relations club, tomorrow in the activities room, at 11 a.m.

Deeply interested in youth and its activities, Madame Kiang is endeavoring to stimulate interest in the young people of China and their problems. She hopes to encourage better relations between nations by appeals to the youth of nations.

Anyone interested is invited to attend. Refreshments will be served.

All plans have been made and all details arranged for Friday, March 29, at 2 p.m., when San Francisco State's varsity debate team will meet the debaters from the University of Washington. This is the first time since 1934 that State has scheduled a campus debate with Washington's forensic team.

Friday's debate is to be held in the Frederic Burk auditorium. Anyone who wishes to listen is cordially invited to come, and there is no admission charge. The negative side will be upheld by San Francisco State's Vivian Fleming and Sherry Auerbach.

#### FLEMING CONFIDENT

Miss Fleming, present debate manager, last term at the College of Pacific tournament, took second place in the Women's Senior Debate division. When asked about Friday's debate, Miss Fleming said: "Having met the University of Washington debaters at the College of Pacific tournament, I have a great deal of respect for their ability and am looking forward to meeting them again with a great deal of pleasure."

#### THE SUBJECT

The question in the debate is: Resolved, that the United States should adopt a policy of strict (economic and military) isolation toward all nations outside the Western Hemisphere engaged in armed civil or international conflict.

## Radio Day

### Many Radio Stars To Visit Campus

As Radio Day, April 4, draws nearer, more radio celebrities and campus talent are being pledged daily, "Stub" Harvey, chairman, announced today.

To date, stars from all the networks have been invited. Some of the latest entertainers to be obtained are Lee S. Roberts, composer of "Smiles", and the Duncan sisters, of "Topsy and Eva" fame.

Students interested in appearing on the State Talent Parade are asked to contact Box 906. Classical numbers, especially vocal solos, and a good vocal quartet are needed. All acts which should not exceed three minutes should have their own accompanist.

"It should also be noted the NBC officials will consider our Talent Parade as an official audition," Harvey declared.

Radio Day will consist of an assembly with entertainment and interviews with the radio stars in the rally bowl between 11 a.m. and 1 p.m. A luncheon for the radio people, members of the administration and committee members will follow in the Activities room.

The official Radio Day committee includes: Jean Deckman, Jane Harlin, Dorothy Taliaferro, Jo Ashlock, Jack Fischer, Ted Amsterdam, Jack Madigan, Laurie Applegarth, Sherman Grant, Alex Edelstein, Bob Sweeney, and Harvey.

Campus hostesses will be: Peggy Clifford, Betty Fisher, Tillie Rastad, Pat Robinson, Rita O'Brien and Marie Vallarino.

For further details, read "The Cat's Whiske" on page two.

## As the . . . EDITOR SEES IT

### Campus

#### This Is No Fool

April Fool day will be no fool's day for this college. Our brand new college site will be under production and will eventually lead to one of the finest educational institutions in the West.

Preliminary construction has already started but the first of April will see some five hundred men in action.

We should rejoice and dance on our toes and heels, we're the most fortunate of State Colleges.

#### Censorship

A new policy was laid down at the last Board of Publications meeting concerning the way in which the coming student elections are to be handled. It consists of censorship of any pro-propaganda for any candidate, whether it is in the form of Letters to the Editors, news stories, by-lines, et. al.

Last year at this time some very unfortunate experiences occurred in the Gater which made for good deal of mud slinging and name calling. The Board's action this year is an attempt to eradicate and prevent any such happenings again.

Election time is a time to be wary. The Gater will make a complete survey of each candidate and will publish the survey for your benefit.

Watch for April 24.

*Editorials and features in the Golden Gater reflect the opinion of the writer. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.*

#### They're Still Here

Several weeks ago an editorial was written about the nice, new holes in the Co-op walls. Action was started by the Executive Board of the Associated Students to fill up the holes and spread a little paint on the situation.

Plans were laid and everything was going along smoothly toward the culmination of the Board's efforts. Bright and early Monday morning following the Easter vacation, it was supposed that students could once again see what the walls really looked like when they were new.

Monday morning is now past.

Have you seen our nice, old holes in the Co-op?

#### This Is A Fool

Comes April first and students will again see the Razz Issue of the Gater. This prominent publication has not been seen on the campus for two years, and this edition no doubt will cause it to be banned for two or more years.

But don't worry. If someone takes a sly poke at you in print, don't get huff, it's all in fun. Just remember, we all have our peculiarities.

Join in the fun on April first. There's no fool like an old fool, but the Razz Edition will play you.

I'll be seeing you—in print!

## Covering Campus Life

By JEAN DECKMAN

"Gee, it was swell! The whole setup was keen! The music was grand!" quoth Sigma Pi Sigma's Bob Cumming. "Ah, it was all right, yes. I guess so—ah, I liked it," was the enthusiastic reply of Joe Edelstein. Benny Brooks took the stand that "millions of people were there; it was really surprisingly good." Thus run the reports and the views of the persons who attended the Frosh Hop last Wednesday night at the Fairmont hotel.

Some of the people who seemed to favor standing in groups rather than sitting—that is, when they weren't dancing—were: Guy Swannack, former footballer, and Eleanor Crocker; Dudley Schultz and Laverne Hunter; Elsie Hansen and Bob Hodgins; Dorothy Hoyt and Russ Horstmann; Martha Roecker and Vern McCloskey; Bernice Coakley and John Finn.

**Pretty Frosh Hop Queen . . .**  
Loretta Michelbrook and Carleen Miller were chosen the prettiest Frosh girls, after a long and lengthy consultation among faculty members: Dr. Theodore Treutlein, Mr. Hal Harden, Mrs. Blanche Ellsworth, and Mr. Don Kupfer.

The same evening as the Frosh Hop things were humming down in Freddy Burk auditorium when the members of the Brush'n Palette club gathered for a folk dance. Dorothy Brand instructed new members: John Kraus, Bernice Resnick, Marguerite South,

Bob Buickerhood, and Ray Daman in the finer points of the Polka and the Schottische. Ed Rayburn, Beth Sutherland, Richard Best, and Marjorie Hofmeister were content to dance the Gustav Skool.

**Overheard In College Hall . . .**  
Oh, happy day! Guess who was staying at the same hotel as the team members while they were in Denver? None other than Mr. Earl Carroll—AND he wasn't alone! All of his beautiful Vanities girls were also very much in evidence.

Scooter Marder, Josephine Flannagan, and Dave Kerwin represented an animated trio as they discussed, "Snowed in Denver the first day we were there"—"Gee, that's a pretty ring. Jo, when'll you be married?" Further along, Lucille Murphy and Roland Ingraham, producer of the forthcoming "Alma Martyr," were busily talking over lesson plans. In another corner Dotty Foppiano, Bobbie Maghetti and Vi Nicoloff were wondering wondering "where Bill Buchan is by this time." Jo Ashlock and "Stub" Harvey talking "Radio Day."

Sigma Pi Sigma fraternity has arranged for State students to hear Brother Leo's speech, "From the Eyebrows Up," with a Student Body card, which is quite a comedown from the regular price of 75 cents. This speech will be given April 17 in the Veterans' auditorium.

### LETTERS

#### TO THE EDITOR

• It's about time that these "racketeers" from the supposed "co-op" got wise. They want to sell books to you, but, of course, in their position they feel that they can't buy those same books back from you when you find it necessary to quit school some eight weeks after the term has started!

If the "co-op" can show a profit of some \$4,000, why, oh, why can't they afford to buy our books back? The time has come for somebody to squawk long and loud, and that's just what is being done right now. When I buy books I want a guarantee that at least I'll be able to sell them back at at LEAST one-half of what I paid for them.

The books in mention are Govt. 40, by Munroe; English 17B, by Mott; Economics 1A, by Keikhofer; History 4B, by Boak, Hyma and Schloss. I would, indeed, like to know from the head of this wonderful "co-op" just what is going on down there with a \$4,000 profit and the refusal to buy books back, especially when I need the money. I didn't quit school because I wanted to, but because I had to. Since they won't return any part of my fees or tuition, and the bookstore is so generous, I'm sure that everybody will be happy.

"Money Mad"

• Lately there has been a lot of heckling and criticizing of student body officers, campus fraternities and activities, in this department of the Gater. I agree that it shows there is a real interest on the part of a few students in the various phases of our college life, but I'm not so sure that a lot of it isn't a poor type of propaganda.

All of us make mistakes. It has been said that the man who never makes a mistake isn't worth a darn. Let us be con-

siderate of the other fellow and not let our loyalty to any one group of clique of students keep us from being the considerate and respectful fellow students we should be. After all, S.F. State College will not pass away tomorrow. Only by our consideration of others and showing a willingness to cooperate will others know that we care for the future history of our beloved school. That sounds sentimental, doesn't it?—but sentiment for the finer values in college life is a valuable attribute of the successful student.

Stub Harvey

Dear Editor:

• It seems we are (on our old, but respectable campus) becoming infested with penny-ante gamblers (better known as "penny pitchers").

While walking along any of the paths inhabited by these big time gamblers, an unsuspecting pedestrian must beware lest he, in his ramblings, interrupt a heated game of pitching pennies (no rolling allowed), and be severely reprimanded. Many of our empty classrooms are now being used as a substitute for gambling halls. It is not unusual to open the door to one of our annexes and find two or three pennies fly out.

I am not of an anti-gambling nature, though this letter may give that impression, for I too can enjoy a good game of poker or black-jack. However, I feel that our natural lust for gambling (or taking a chance) should be sublimated while in our institution of higher learning, or the next thing we know the students of Frederic Burk will be coming up the hill to show the grown up State boys "how" to pitch.

Yours truly,

Sam Dana

## The Cat's Whisker

By "STUB" HARVEY

Six of State's most beautiful co-eds will welcome fifteen radio stars from San Francisco's network stations on Thursday, April 4, at 11 a.m. Jean Deckman is in charge of choosing her colleagues of welcome and will escort the guests to the Rally Bowl, where the student body will be assembled to hear a two-hour program of music, fun and interviews.

#### AMONG THOSE PRESENT

State is going to have a wonderful opportunity to show its true colors of hospitality on Radio Day. Some of the best-known radio stars we hear on the air today will be our guests. Heading the list will be none other and no less than the internationally recognized composer for radio, movies and tin-pan alley, Lee S. Roberts, composer of "Smiles," and two hundred other songs. He will represent KYA along with Reiland Quinn, the station manager. Roberts is planning a surprise feature for us.

Of equal merit and prestige in their own lines will be Mel Venter, radio's master of ad lib from KFRC, and his manager, William D. Pabst, of that station. KJBS will be represented by the early bird's friend, Frank Cope, who Luther Meyer swears has one of the richest senses of humor on the air today.

Columbia Broadcasting Company comes through with two four bell personalities, Ken Craig, chief announcer for KSFO, and assistant program director, and Dick Aurandt, KSFO's musical director and formerly of Rose Room Bowl fame.

National Broadcasting Company will send a lively and entertaining group of stars to

us. Heading the "personality groups" will be Uncle Bennie Walker (of course, Little Bennie, too), Don Thompson, Lee Strahorn, audition chief of NBC here; Helen Morgan (not the piano-sitter variety) of "Who's In Town Tonight" at the Mural Room, Ruth Sprague (Susie "Q"), Ira Blue, NBC's nitwit chatterbox and chief of KPO and KGO blab, and Milton Samuels, one of the busiest publicity chiefs in the business.

#### STATE TALENT PARADE

From 11 to 12 noon, the guests as well as the student body will listen to a number of State's most talented "radio" stars, Gerard Sharkey, Vivian Silva, Jack Fischer, Dorothy Fitzpatrick, and a host of others to be signed up this week. Ira Blue, aided by Helen Morgan, will be the Talent Parade MC. Any Staters who'd like to perform are asked to communicate with this writer via Box 906.

#### PROFESSOR MEYER QUIZ

After the Talent Parade, which will be an official audition period for possible radio appearances on the various stations represented in our guest list, will be the Quiz of the Guests by Professor Luther Meyer.

In the Activities room, directly after the Quiz, a buffet luncheon will be served the special campus visitors and a limited number of student leaders and faculty leaders. A surprise feature of the luncheon will be the appearance of the Damsel Sisters from the Music Box, who will be with us in person but without their music. They have long been one of radio's greatest entertainment teams and are famous the world over for their "Psy and Eva" characterization. See the front page news story about Radio Day for other details and information.)

## Here's the Answer to the Lazy Student's Prayer: Easy Work

ACP—Hunting for a short-cut to a straight A average? If you are, heed the following nine-point program to success—a program formulated for you by the ever-helpful ACP of the Midland of Midland College.

1. Don't give your prof apples. Too obvious.
2. Find out his hobby and follow this up with well-planned efforts to draw him out.
3. If the entire class walks out of the classroom when the prof is 10 minutes late, be the only one to wait, even if it's an hour. This procedure is good for a B-plus any day.
4. Always greet an instructor pleasantly, never using his first name, but a cheery "Good morning professor."
5. When walking about the Administration building, a walk with your head down as if in deep thought, pondering some weighty problems in math or philosophy, for instance. This is highly recommended to get on the honor roll.
6. Offer to wash the professor's car, or do any little job that will accept any money for the work.
7. Apple polishing procedure in classrooms includes sitting in the front row, responding to professional humor with loud hearty guffaws and liberal use of big words. This is important. Never use a two-syllable word where a five-syllable word will do.
8. Carry a lot of big reference books around. This is tremendously impressive and is worth an A minus in any class.
9. If you must close your eyes while in deep thought, wipe your forehead and otherwise look worried or the professor may get the wrong impression—and grade accordingly.

# TRACKMEN TAKE WIN OVER SAN MATEO

## State Nine Wins One Out Of Five Week End Games

San Francisco State's varsity nine dropped a five game series four games to one, last week at Roberts Field. Santa Barbara swept a three game series, and Fresno gained an even split.

The Santa Barbarans took Wednesday's encounter to the tune of 11 to 1, and drubbed the State nine twice on Saturday, 15 to 3, and 4 to 2. The Bulldogs won the opener from the Gaters, 4 to 0, but San Francisco came back on Friday to shut the Fresno out for the first time this year, 3 to 0.

**KOHOUT HURLS**  
Bob Kohout hurled the winning game for the Tide, setting the Fresno Staters down with five scattered safeties. Fischer, Ahern, and Coshaw led the Gaters at the plate.

Cliff Wrightson, Gaucha pitcher, earned credit victory for all three of Santa Barbara's triumphs over the Purple and Gold. Wrightson allowed the Gaters six hits in Wednesday's fray, and but four in Saturday's second contest. In Saturday's opener he was relieved in the sixth but gained credit victory. Wrightson added to the Gaucha cause by knocking out several extra base clouts.

**BEST SEASON**  
Santa Barbara State is having its best season in the history of the school. In college competition, only Southern California has been able to take the measure of the Gauchos. On their recent road trip the Santa Barbarans are undefeated, boasting victories over San Jose, Cal Aggies, California, Atwater, Fresno, and San Francisco.

The S.F. Staters embark for Fresno Friday morning, where they meet the Bulldogs in a three-game series. A single game will be played on Friday and a double-header on Saturday.

## Boxers vs. Hoopas On April 12

Not so fresh from the recent Santa Clara brawl, Coach Don Kupfer, mitt squad gingerly patched up their wounds and began preparation for an invasion of the Hoopa on April 12, when George Boonhoff, former State athlete, leads the charges from the Hoopa Indian school onto the campus for a series of bouts.

The War-whoops, an unknown quality in fistic circles, have, according to meager scout reports, a strong squad capable of affording the Gaters a lively evening.

Rumors of the uprising, brought in by pony express, reliably report them on the warpath to decify the swindle practiced on them by the Dutch in the purchase of Manhattan Island.

**POPE INJURED**  
Deprived of the services of Frankie Pope, injured lightweight, Kupfer is sending his boys through their paces this week to polish up glaring inadequacies brought to light in the Bronco massacre.

The stand-bys, Chinn, Hale, Wilson, Magarran, Perry, coupled with last week's surprise packages, Ted Press and Craig Gaffney, figure on the dope sheets to break out into a rash of wins their next time out. The boys have been too long starved of victories.

**INDIAN TACTICS DENIED**  
Kupfer stoutly denied and branded as propaganda, reports that his squad was experimenting with a new type of fighting as explained in Kit Carson's "Methods and Tactics of Reducing the Indian Race."

## Wanted: Fighters For April 2

"Wanna' fight?" Any campus belligerents or would-be pugilists are cordially invited by the intramural board to sign up at once for an evening's entertainment, Tuesday, April 2, when the annual boxing and wrestling show will be held.

An announcement by Don Kupfer, Gater boxing coach, setting the date and asking entries was made today.

The matches sponsored by the board and to be held in the women's gym are open to any male on the campus desirous of spilling a little gore for the sheer pleasure of battling. Bouts will be arranged according to weights, and 12-ounce gloves will be afforded, horseshoes and brass knuckles frowned upon.

The suggestion was made that real or fancied grievances between two parties of the institution be dragged out into the open for review that night.

## Kupfer Blows Up!

With fire in his eye and smoke issuing from beneath his size 16 1/2 collar, Coach Don Kupfer, intramural sports administrator, stated in no uncertain terms his opinion of the participants in the present volley ball tournaments, to a Gater reporter.

"Defaults have been happening one after another," said Kupfer.

Kupfer promised a formal statement of sensational tenor in the near future.

## Net Stars Play Gaels Here Today

Flushed by victories over San Mateo and Santa Clara, State tangles today at 2 p.m. with St. Mary's in a tennis match on the campus courts.

Harold Wagner, number one man, has entered the tournament to be sponsored by the Hotel Del Monte. These contests will count toward each netster's state rating. Wagner has signed up for the senior men singles.

Tomorrow the newly formed jayvees will knock a few balls back and forth over the net, in one of their first matches, with a negro club.

## Gaters Squeeze 61 to 60 Victory Out Of Bulldogs

Upsetting all former predictions, the State track squad eked out a fractional win from a powerful San Mateo junior college team, Thursday, at Kezar Stadium.

The score was close all the way, and Coach David Cox almost had heart failure until the Gaters took the meet, 61 1/3 to 60 2/3.

Four meet records were broken and the 220 record was tied.

The fastest race of the day was the 880, Francis Olson of San Mateo leading all the way to take the event from State half-miler Dick Schwab.

## LOSE DASHES

Bill Finck and Bob Hylton of San Mateo came in first and second, respectively, in the 100, then traded places to take the first two posts in the 220.

Purchase and Hinze of the visiting squad took an early lead in the 440; but Norman Crane came up rapidly, forcing Purchase the remaining distance to the tape. Crane lost at the finish by a few short inches.

The mile run also had a photo finish, Carolan setting a fast pace early in the grueling event, only to drop back in favor of Fred Kline. Kline and a J.C. runner, Joost, matched speed for first-place honors, and Kline showed his superiority by a good 10 yards.

## SCHULTZ WINS

Dudley Schultz, who has been

copping the limelight lately because of his outstanding hurdling achievements, again was followed across the finish line in the high hurdles. MacLean of San Mateo was second place runner, and George Otis came through to capture one point for State.

Gater men took all but one first in the field events. George Parker garnered a first for State in the high jump, going up to 6 feet. Sheehan and Cox of San Mateo and Otis of State were in a three-way tie for second.

## VAULTERS TIE

Bob Wood, Gater vaulter, tied with Otis for first in the pole vault at the height of 10 feet 6 inches.

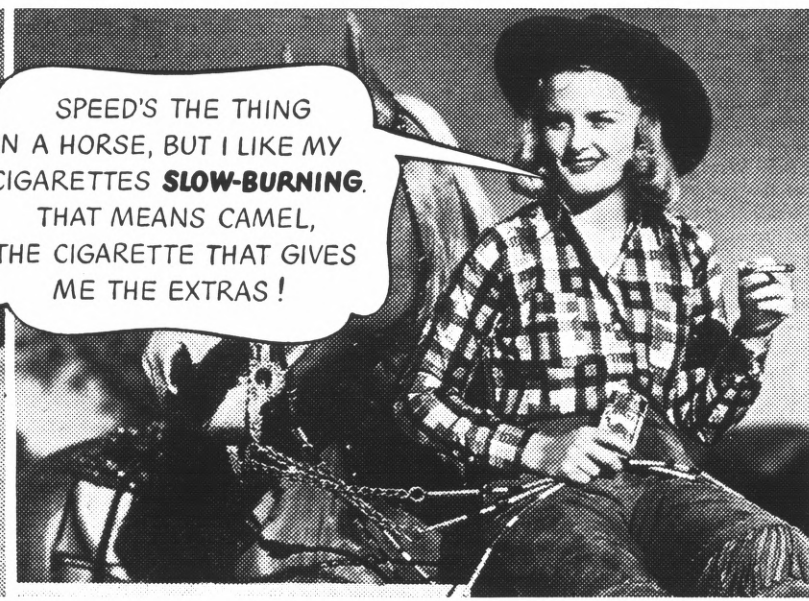

Socrates Pantages, State's shot-putting Greek, tossed the iron ball 41 feet 6 inches for number one position. Boensen and Carlson came through for a second and third.

Hurling the javelin like a champion, Carlson took first place with a distance of 174 feet 5 inches. Otis placed second and Giacosa,

arship, which is most essential to the furthering of education, was named as the second step.

Third plank was the encouragement and use of student speakers at local meetings to talk on important phases of education.

Student, faculty, junior, and alumni membership status were discussed as the fourth point.

The significance of Kappa Delta Pi in our college and what it can do for the college was elaborated in much detail as the fifth point.

Keeping in touch with the larger Kappa Delta Pi movements, such as contributing to the "Educational Forum," and attending the regional conferences, was the last plank in the platform.

Dean Homan summarized his talk with the pertinent words, "What are we going to do about it?"

Hosts and hostesses were Barbara Cuneo, president; Alice Wolack, Fred Kline, and Ed Smith. Alice Allcutt, Cecelia Anderson, Clara Crumpton, Sherman L. Brown, Hilda Holmes, were the faculty members who were guests for the evening.

## WOMENS ATHLETIC ASSOCIATION

By ENID REINHART

Whether June Meese's W.A.A. softball team can lick the Men's Faculty team will be decided on April Fool's Day when these two teams meet in a grueling match.

It is hoped by the girls that such baseball devotees as D. S. Morse, Mr. L. Nee, Dr. L. Herz, Mr. D. Farmer, Mr. H. Harden, Dr. T. Treutlein, Mr. D. Kupfer and other fans on the faculty will lend their talent.

Last year the girls were trounced so they're sharpening their fingernails for a comeback. Look out gentlemen.

Those schools which will be represented at the Basketball playday, April 13, include San Francisco J. C., Marin J. C., San Mateo J. C., and San Francisco State.

## ATTENTION JITTERBUGS:

Plans of the Kappa Delta Tau are going ahead under Manager Jean Van Arsdale, for a "cabaret" to be held in the gym, Friday, April 26. ## Four Meets Next Month For Foilers

April will prove to be the Gater fencer's busiest month. During this month they will meet in order California, Funke's fencing academy, Santa Barbara State, and Sacramento J. C.

"In spite of our two recent wins we are still very green", stated Len Duckworth, Gater coach, "but with much hard work we have a good chance of going through the season undefeated".

As there are over thirty persons turning out regularly for fencing instruction and practice, State's future looks very bright. Fred Bender and Steve Mills are showing great promise, and if their improvement continues, they will soon be making the first string varsity men work hard for their posts.

Although all available equipment is being used at the present time, Duckworth will welcome any person who is interested in turning out for the sport, because any person who learns the fundamentals this semester will be eligible for the advanced class this fall.
